**We, at VPS, make our students
'Global Citizens and Future Leaders of One World Family'.**

VPS at a Glance

Bygone Times

Vapi Public School, is a private unaided, co-educational institution, started in 2005, under the umbrella of Little Angels Education Trust which was founded in 2003, to bring a visible transformation in the educational scenario of Vapi and surrounding areas.

Today VAPI PUBLIC SCHOOL(GU030) is the first school in Vapi that is affiliated with Council for the Indian School Certificate Examination (CISCE) and has established itself as a premier, progressive institution, running classes from Class I to Class XII(Science, Commerce & Humanities streams).

Vapi Public School aims to provide an atmosphere where children can develop 21st century skills & attain high standards. The school endeavours to provide an all-around exposure to each student laying emphasis on academics as well as sports & Co-scholastic Activities.

The well-designed curriculum develops skills sequentially addressing the various needs of children through clubs, celebrations and competitions. The school has introduced a progressive concept of the Astronomy lab, Subject Labs for Languages, Mathematics, Environmental Science and General Knowledge, Sports activities that include Rifle shooting, Scouts and Guides & NCC. Here knowledge is imparted through experiential and constructive learning.

Vapi Public School believes that each child is unique with inborn talents and has potential for physical and mental growth.

The school's system-driven approach in imparting education has brought dynamic change in the school environment and now we are a NABET Accredited School.

Motto:
Vasudhaiva Kutumbakam

Vision of our school

To make our students 'Global Citizens and Future Leaders of One World Family'.

Mission Statement

To fulfil the vision; the School's mission is to provide students with an Educational Environment which is conducive to learning beyond books. It seeks to give ample exposure to social awareness and current affairs, opportunities to develop Leadership Qualities of decision making, thinking and oratory skills and encourages Exploring Minds to mould with Compassion, Ethics, Morals and Values.

Introduction of Founder & Director Principal

Leadership is the capacity to transform vision into reality. This statement is true when we look at our Director Principal **Dr. Alpa S Kotadia**. She entered into the education sector of Vapi with a vision to nurture the young minds of the surrounding vicinity with intellectual, mental, physical and spiritual sustenance and mould them to be capable global leaders and members of one world family.

As an educationalist, her journey started in 2003 as a founder member of Little Angels Education Trust and by 2005 the institution became Vapi Public School. At present, it is a NABET accredited CISCE School with ICSE and ISC with all three streams of Science, Commerce and Humanities. As a forward-looking academican, she has incorporated a Holistic Curriculum that develops 21st - century skills, scientific thinking and creativity of students through curricular, co-curricular and extracurricular activities.

The school has incorporated a theme-based curriculum that gives equal opportunity to all students to explore, experiment, and enhance individual and collective skills. Attribute-based morning assemblies in school instil values of family, society, tradition, and culture in students. Hence the students acquire a high Emotional Quotient together with enhancement of the Intelligent Quotient and a sustainable Spiritual Quotient.

She conducts regular orientation programs and workshops for educators, parents, and children to bring harmony and a stress-free atmosphere at home and school which is imperative for learning. Her relentless enthusiasm to learn new things, adopting innovative ideas and executing them, her unquenchable passion to motivate and upgrade herself and her team, her managerial decision-making skills, emotional intelligence, and spiritual consciousness have brought excellent progress in bringing all round development of the institution.

Hence it is not surprising that she could garner several testimonials and awards in multi areas of innovations in education. Some of them are letters of appreciation from honorable Governor and Chief Ministers of Gujarat, Shiksha Bharati Award, Avantika Rashtriya Shikshak Samman award, Excellent School Leadership Award, Skill & Education Eminence Award for her Commitment and contribution to the field of education. Her Efforts, Guidance, and Effective Leadership have brought many laurels to Vapi Public School (CISCE) which in turn helped it to be ranked 19 in India and No 2 in Gujarat by India School Merit Awards.

Founder Director Principal - **Dr. Alpa S. Kotadia**

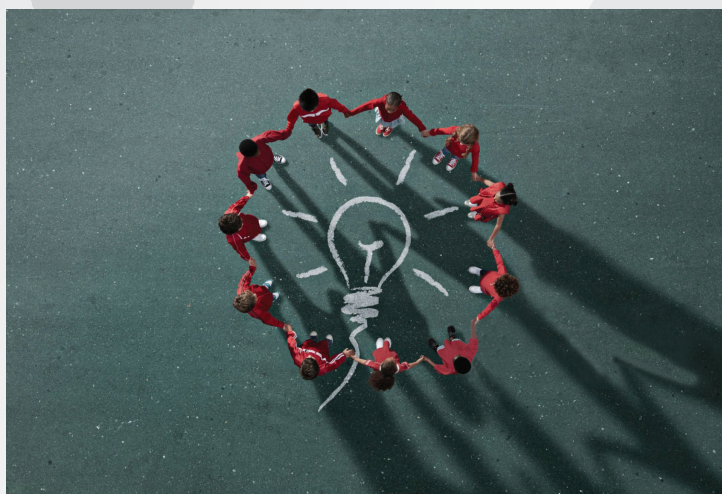

Message from Managing Director
Mr. Nawal Bansal

Vapi Public School has been making significant contributions to the society since 2005. It has set high standards in education by providing holistic development to its students. Our aim is to equip the students to be global leaders who can overcome all the obstacles that come in their way, without compromising on traditional values and ethics. I congratulate the Director Principal, Teachers, Staff, Students and Parents for being a part of this progressive institution.

Message from our Advisor
Late **Lt. Col. Vijay Bedekar**

It is a great pleasure and privilege for me to be associated with Vapi Public School, Vatar, a CISCE-affiliated School with a noble vision and mission. Right from the initial stage, the school has incorporated fun & play methods together with academics in its curriculum. School is an ideal platform to develop good character, confidence, life skills, moral, ethical and spiritual values in the prolific young minds. I congratulate the Trustees, Director Principal - Dr. Alpa Kotadia and staff for their enthusiasm and dedication in the pursuit to achieve excellence in all related fields. Wishing progress & success.

To make great ideas a reality, we must act, experiment, fail, adapt and learn on a daily basis.

Ideas don't happen in isolation. You must embrace opportunities to broadcast and then refine your ideas through the energy of those around you.

Let your ideas and thoughts give you an inspiration. All creativity comes from your imagination - you first imagine and then you create.

Academic Excellence

Vocational Skill

Yoga

Pottery

Needle & Thread Work

Buddy Programme & Remedial classes

Buddy tutoring enriches both the tutor and tutee. We have introduced this program with the objective "Those who teach others teach themselves". Remedial classes are conducted to bridge the gap between what a child knows and what he/she is expected to know at a particular age.

Workshop, Seminars & Tea Time Talk

These sessions help to provide a chance to interact with experts from specific fields giving an exposure to students on various career opportunities and learn new skills related to the concerned subject.

Olympiad & other competitive Exams

Students are encouraged to participate in various Competitive exams. It helps them to develop a set of skills and improves their aptitude. Many of our students have achieved national & International ranks.

Student Leadership Programmes

The 'FOUR' House System, Students Cabinet, Organising of Annual Day, Spirit Week, Interact club of VPS, YES Youth Club and various classroom programs help students to develop & practice leadership & social skills to become successful leaders of tomorrow.

Assembly

School assembly at VPS is the time for making up the mind for the day. A heart felt prayer, a good thought, news snippets and some general knowledge facts are the key components of our assembly time. In addition, we have skits on various attributes and recitation of a sanskrit shloka from the Bhagwad Gita once every week to inculcate values among our students.

Students Outreach Programs

Joy of Giving, Grains Day, Street Play, Grand Parents Day Celebration, Creating awareness among citizens for conservation of energy are some of the programs that school conducts to sensitize students.

Excellence in Arts

Students are taught (classical and contemporary) Dance, Music, Drawing, Pottery, Craft, Drama etc. to develop creativity, communication and presentation skills and build a community that allows children to flourish and show their talents.

Sports facilities

VPS offers opportunities for various outdoor and indoor sports activities for character building

Cricket ~ Basketball ~ Football
Volleyball ~ Table tennis
Chess ~ Yoga ~ Badminton
Carrom ~ Rifle shooting
Throw ball ~ Rugby ~ Karate

Career Guidance & Counseling

The school supports the senior students with mentors and counselling to address their emotional, social and behavioral concerns. The analysis of the battery aptitude test by the expert counsellor helps students to judge their interest, personality, aptitude and study habits. The career guidance cell guides students in making the right decision for choosing appropriate streams and admissions in leading colleges / Universities.

Parent Partnership Program, Samyukta

Parent Partnership programmes like Samyukta are an integral part of the teaching learning process at VPS. Such initiatives help us to create a conducive learning atmosphere where the child enjoys learning. It also provides a consistency between the school and home environment which adds to the emotional stability of children in the primary years.

Holistic Development

Club activities and interschool competitions, Nature club, MUN, Cultural club, WWF, Quiz, Debate, and Elocution encourage students to develop 21st century skills and broaden their learning horizon.

Concept of Finishing school

With the mission to prepare our students to become global citizens the curriculum is designed to enhance confidence, personality along with technical abilities and other soft skills.

Admission

Admission shall be open to all children irrespective of their caste, religion as per the availability of seats in each class.

Admission to Class I shall be open to all candidates who have completed 6 years on 1st June of the academic year.

The admission shall stand provisional till the submission of the original documents.

- a) Birth Certificate for Class I
